Dear Mr. Rob McCall:

On behalf of the Camden County Board of Commissioners, I would like to thank the Georgia Department of Transportation (GDOT) and Seaboard for the repair of Barber Road off Harriet's Bluff Road. Camden County values and appreciates the partnerships established with GDOT and Seaboard through our work on the Kingsland By-Pass Project.

GDOT and Seaboard continue to provide Camden County with outstanding customer service. The integrity displayed during the negotiations for the repair of Barber Road speak volumes of both organizations character. I appreciate how GDOT and Seaboard went above and beyond the scope of work previously agreed upon. You have far exceeded our expectations.

Thank you for making our community roads whole again and our continued partnership. If I can be of assistance, please do not hesitate to contact me.

Sincerely,

James H. Starline
Chairman, Camden County Board of Commission
